What parents thought we could do better:

- Nothing
- Need more notice of events such as book week (time to sort out how to dress up my child)
- Cricket and football are the same day after school so we can't field two good teams
- You would have to push me to find something the school could do better
- Communication and accuracy of communication (there were wrong term dates on the newsletter)
- Nothing
- At Christmas the children were noisy when entering the church - they should respect their surroundings
- Communication with parents - home link book rarely comes home
- Nothing
- Would like more football
- Need to widen the path- entrance to the playground because there can be a rush at 3.15pm
- Homework diaries- it would be better if we could sign for the previous week on a Monday not on Friday because I work
- We are not competitive enough or good enough at sports we don't dedicate enough time to teams
- Other schools have coaching for sporting competitions - I would be prepared to pay for this or maybe fowps could subsidise this e.g the netball club is not meeting so they are not practising as a team.
- I want more homework targeted to topics, especially in year 5 and 6
- There have been a lot of staffing changes in year 2
- Maybe a hard copy of letters that effect the whole school.
