

Year R

Hello everyone!

We hope you have had a happy half term and enjoyed the wonderful sunshine! It has been great to speak to you all on the phone during the past few weeks and to hear what you are up to. We are so proud of all of you! Thank you to those of you who have sent us photos and examples of your learning on tapestry. It is wonderful to see!

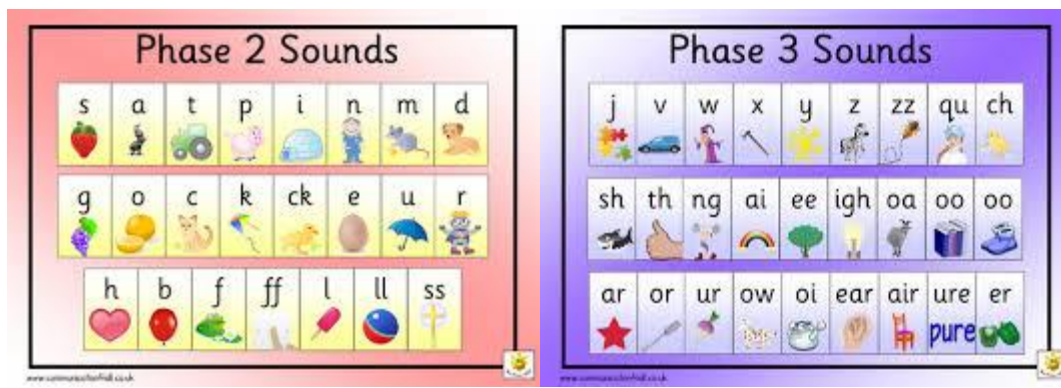

School is open from the 1st June. We have attached a few activities to keep you busy. The packs will be slightly smaller as we will be updating them every week.

See you soon!

Miss Phillips and Miss Craft

Phonics

- We will be practising phase 3 phonics

- When you are out on your daily walks play phonics games such as 'I Spy'
- There are videos on the website to help support the actions and pronunciation of the phase 3 sounds.
- Phonics play has some great games to support with phase 3 learning.

Writing

- Letter formation
- Name writing
- Writing names for the members in your family
- Write a list of your favourite things to do
- Write a list of your favourite food
- Write a caption for the pictures

- Phoneme frames - write the words to match to the picture

ai

- Write tricky words in chalk/ dirt
- Write some letters on lego and get your child to build the word
(this can also be done with strips of paper)

- Label the picture (belt, hat, eyes, logo)

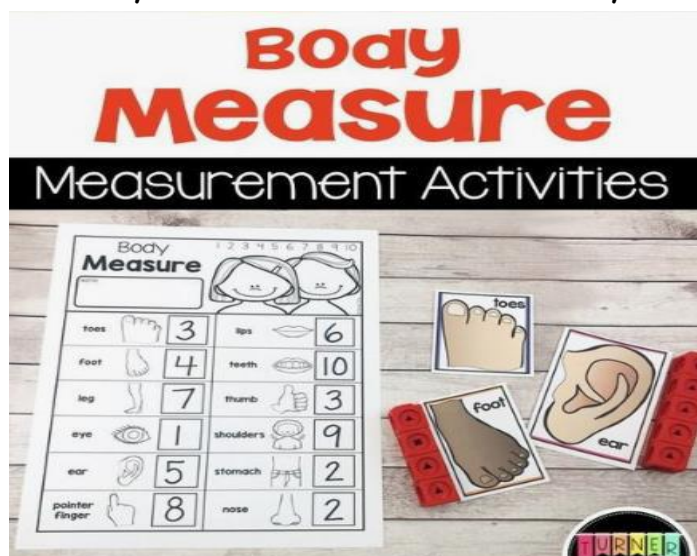

Maths

- Number recognition to 20
- Ordering numbers up to 20
- How high can you count
- How many different ways can you make a number? Record or take photos

Body Measure

- Use Lego bricks to measure parts of your body. How long is your foot? Can you make a table to record your findings?

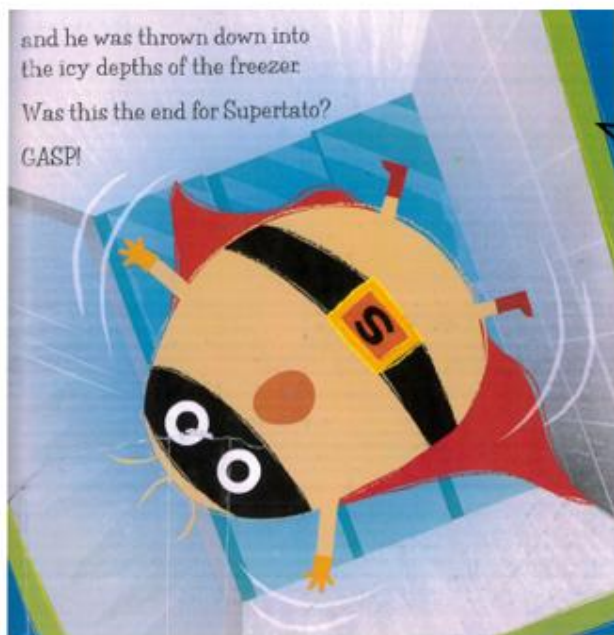

Supertato

- This week in class we will be reading the story Supertato
- Here are a few activities you can do from home.
- You can record your child's comments to keep a record or you can simply just have a discussion.

What do you think has escaped from the freezer?

What type of character do you think this will be? A nice character or a nasty character?

What questions would you like to ask Supertato here?

Being Creative!

- **Nature pictures** - make a portrait of yourself using things you find outside

- **Nature paintbrushes**

Go into your garden and gather some materials and nature resources to create a paintbrush. Can you paint a picture using it?

- **Bubble print butterfly**

Use bubbles to create a painting. Add paint to your bubbles and create a butterfly. Use a range of materials that you have at home.
