Family Tours 2020

I am delighted that you are considering Wickham Church of England Primary School for your child from September 2021.

We know what an important decision choosing a school for your child is and understand that a virtual tour is not quite the same as being able to view the school in person. For this reason, we have consulted with Public Health England and followed current Government guidelines around infection prevention control, in order to create a 'Covid-secure' environment for our tours. Although they will operate a bit differently to those of previous years, we hope that they will still give you a really good 'taste' of our school:

Arrangements will be as follows:

- Tours will take place outside of school hours
- Groups will be no larger than six, including a member of school staff
- Visitors will be asked to wear masks and use hand sanitiser when entering the building
- Visitors will be asked to minimise the surfaces touched during the tour
- Social distancing between different households will be observed at all times
- We ask that adults only attend the tours
- Cleaning will take place in between tours

Further information on the dates of our tours and how to request a place on one can be found [here](#).

We will contact you by email by Thursday 22nd October to confirm the date and time of your tour. Please let us know as soon as possible if you are no longer able to make your allocated date/time so that this can be offered to another family. Additional tours will take place in November for any families that we are unable to accommodate due to high demand for places.

Please be aware that our plans are subject to change if cases of coronavirus rise significantly in the area. Your safety and that of our pupils and staff is of the highest priority.

We very much look forward to welcoming you to Wickham Church of England Primary School.

Yours sincerely,

Graham Cutter
Headteacher
