Ofsted Inspection

Following our Ofsted inspection last week, we would like to thank those parents who spoke to the inspectors and completed the ParentView survey (results can be found [here](#)). The lead inspector told us that it was one of the most positive parent feedbacks that he had read for a long time. We have been informed that the final report of the inspection will be published to parents within four weeks; we will send out a copy as soon as we have it.

Netball Tournament

On Monday we took the Netball team to Swanmore Primary School to take part in the 2022 netball rally. There was some great netball played amongst the 4 teams, with lots of close matches throughout the afternoon. In our first 3 group games we played very well with big smiles throughout and experiencing playing in different positions.

Our first game was against Droxford Junior, who ultimately won the whole tournament, but we gave it a real good effort against them. Then we had host school Swanmore Primary, which was another tough game but we kept persevering and played really well. Our last group game was against St. John the Baptist Primary and this proved to be our closest game of them all.

We met St. John the Baptist Primary again in the 3rd v 4th play-off match in which we were victorious finishing 3rd overall in the competition. Mr Davies was very proud of the way our pupils represented us and loved seeing the smiles on their faces during the event!

Friends of Wickham CE Primary School (FOWPS)

Thank you to all the parents who have so far expressed an interest in re-establishing our parent-teacher association, Friends of Wickham Primary School (FOWPS). Mr Cutter will be in touch shortly with details of a proposed meeting to discuss a way forward. It is not too late to get involved so please let the school office know if you would like to be included in anyway, even if at this stage you would just like to see what is involved or give any ideas for fundraising events.
