

## Red Nose Day

For Red Nose Day today, the children across the school took part in various Red Nose inspired challenges and activities. There were red nose and spoon races, red nose shelter building and much more!

Thank you for all your donations, so far we have raised a fantastic £145, it's not too late to donate using this link:

## STEM Fair at CEMAST

Last week a group of Year 6 children attended the STEM Fair at CEMAST in Lee on Solent. They took part in a variety of activities based on science, technology, engineering and mathematics. The activities included building engine parts, programming fairground rides and other machines, and investigating how aircraft worked. It was a very hands-on day that was thoroughly enjoyed by all - including Mrs Way and Mrs Proost!

## Easter Holiday Camps

Active 360 are once again running holidays camps at Swanmore College during the Easter holidays. Please see the attached flyers for more information.

## World Sleep Day

Today is World Sleep day, the theme this year is 'Quality Sleep, Sound Mind, Happy World'. When children and young people sleep well, they're likely to be in a better mood, have more energy, concentrate better, and remember more - which benefits everyone. For more information and resources follow these links:

## Books to Support Peace and Resilience

Hampshire School Library Service would like to share this list of recommended books which can aid discussions around the current situation in Ukraine and help you support your children who may be feeling confused or unsettled by world events.
